### **Remarks from the organizer**

Correction to question 15 from the Summary of Additional Information, published on 6 July 2018 which states: 'The regulations determine that a maximum of three A4 pages may be submitted'. This is not right; the provisions of the Regulations in Article 5.2 under Vision are correct: 'The vision consists of a maximum of 3 pages A3 of text (minimum font 10, pdf) with relevant reference images'.
